Re: Apple Watches

ITS is receiving questions regarding the purchase of Apple Watches. The Apple Watch may not be purchased using the Apple EPL or the Voice and Data Cellular Equipment and Services Master Agreement. Currently, ITS cannot determine a business need for the use of Apple Watches.

Should you have a documented business need for an Apple Watch, follow IT procurement law when making that purchase. We ask that if you do have a documented business need, you share the need with Deb Breazeale and Susan McMichael, so that we may determine if this product should be added to the Master Cellular Agreement or to the Apple EPL.

Questions regarding the Apple EPL should be addressed to Susan McMichael at Susan.McMichael@its.ms.gov or by dialing 601-432-8118. Information regarding products and services available under this EPL can be found at <http://www.its.ms.gov/Procurement/Pages/Apple.aspx>

Questions regarding the Master Cellular Agreement should be addressed to the Deb Breazeale at Deb.Breazeale@its.ms.gov or by dialing 601-432-8046. Information regarding products and services available under this contract can be found at <http://www.its.ms.gov/Services/Pages/Cellular.aspx>.
