Regarding Information Technology Services (ITS) RFP Number 3695 for the Mississippi Vehicle Insurance Verification System (MSVIVS) to provide the Mississippi Department of Public Safety, the Mississippi Commissioner of Insurance and the Mississippi Department of Revenue with automated verification of a motor vehicle's insurance status, please be advised that the award to PASCO, Inc., dba: Validati is being rescinded. MDPS, MID, and DOR have become aware that the Legislature intended Senate Bill 2631 from the 2012 Mississippi Legislative Session to authorize a more narrowly defined business model than allowed by RFP No. 3695. All proposals are being rejected. A new RFP with a defined business model will be issued at a later date.

ITS, MDPS, MID, and DOR thank you for your participation in the RFP process.
