Re: ITS Operations 2015 Customer Seminar

As a reminder, ITS will host an Operations Seminar on Tuesday, May 12, 2015, at the Mississippi Public Broadcasting Auditorium located at 3825 Ridgewood Road, Jackson, MS. The seminar will be from 8:00 a.m. until 12:30 p.m. All agency IT coordinators and designated backup contacts for Security, Telecommunications, and State Data Center Services are cordially invited.

With Fiscal Year 2016 just around the corner, this seminar will provide agencies with important information regarding existing ITS services as well as new service offerings. This information should prove to be useful as agencies plan for the coming fiscal year. Please RSVP by email to telecomrequest@its.ms.gov with your agency name, your first and last name, and telephone contact number. You may also register by leaving a voice mail by dialing 601-432-8314 with the information listed above. Please be sure to include your email address.

We look forward to the opportunity to meet with you and discuss your agency's information technology needs. A preliminary agenda is included for your attention. Thank you in advance for your participation, partnership, and support.
