

INSTRUCTIONS FOR ACQUIRING
THE STATE OF MISSISSIPPI ENTERPRISE SECURITY POLICY

A third party may need to review the State of Mississippi Enterprise Security Policy (ESP) in preparation for a project with a state agency of Mississippi. Also, a third party may need to review the ESP prior to responding to an ITS Request for Proposal (RFP) or ITS Letter of Configuration (LOC). The third party can follow the steps below for acquiring a copy of the ESP.

If a third party needs to review the ESP prior to responding to an ITS RFP or LOC, please contact the ITS procurement analyst assigned to the RFP or LOC and provide them with the following information:

- The RFP/LOC number and the third party name
- Brief description of the RFP/LOC project
- Contact information for a staff member from the third party

If a third party needs to review the ESP in preparation for a project with a state agency of Mississippi not associated with an ITS RFP or LOC, please provide the information described below to ITS using the following email address: information.security@its.ms.gov.

- The agency name and the third party name
- Contact information for a staff member from the agency and the third party
- Brief description of the project

For additional information about acquiring the ESP, please contact ITS at 601-432-8000 or information.security@its.ms.gov.
