Regarding Information Technology Services (ITS) RFP Number 3760 for inclusion on the Hardware Express Products List (EPL) to be used in the acquisition of specific categories of IT Hardware for the State of Mississippi. The procurement process has been completed.

Due to the nature of the EPL, the list of approved manufacturers and sellers is frequently changing. New manufacturers may be accepted for review at any time during the cycle. New sellers are allowed to propose at six-month intervals. Group membership may change at any time. For these reasons, a specific "awards" list is not provided. Instead, we maintain a list of manufacturers and sellers with their detailed information regarding contacts, categories of approved products, and group membership. This information may be found on the IT Hardware EPL Instructions and Archives page on the ITS website at the following link: <http://www.its.ms.gov/Procurement/Pages/IT-Hardware.aspx>.

ITS would like to thank you for your participation in the RFP Process.
