The following question was submitted to ITS and is being presented as it was submitted, except to remove any reference to a specific vendor. This information should assist you in formulating your response.

Question 1: Please clarify how many dialysis facilities you (UMMC) have?

Response: Section 3.6 of the RFP reads:

“The proposed software will need to support three (3) outpatient dialysis centers and a total of 41 in-unit dialysis stations and 78 home dialysis units. This encompasses a patient load of approximately 160 in-center patients and approximately 80 home dialysis patients. There are currently eight (8) nephrologists, eight (8) Fellows (Residents) and four (4) nurse practitioners handling the patient load. Yearly growth is expected to be +10 home dialysis patients and 1 physician per year. There are currently 10 personal computers monitoring the in-center dialysis stations which are also used for data entry. There is no remote monitoring of home dialysis units.”

RFP responses are due October 25, 2013, at 3:00 p.m. (Central Time).

If you have any questions concerning the information above or if we can be of further assistance, please contact Curtis Ritchey at 601-432-8177 or via email at Curtis.Ritchey@its.ms.gov.
