

The following security alert was issued by the Information Security Division of the Mississippi Department of ITS and is intended for State government entities. The information may or may not be applicable to the general public and accordingly, the State does not warrant its use for any specific purposes.

DATE ISSUED: June 18, 2013

SUBJECT: New Oracle Java SE Critical Patches Issued June 18, 2013

Critical patches were just released by Oracle as part of its patch release program. According to Oracle, the following products are affected:

- JDK and JRE 7 Update 21 and earlier
- JDK and JRE 6 Update 45 and earlier
- JDK and JRE 5.0 Update 45 and earlier
- JavaFX 2.2.21 and earlier

RECOMMENDATIONS:

The following actions should be taken:

- Apply appropriate patches provided by Oracle to vulnerable systems immediately after appropriate testing.
