

December 20, 2019

In compliance with House Bill 714 (HB714) from the 2019 Regular Session of the Mississippi Legislature, the Mississippi Department of Information Technology Services (ITS) is posting the following notice related to a technology procurement being conducted by the Mississippi Department of Child Protection Services (MCPS) without involvement from ITS.

HB 714 exempts MCPS from ITS' purview for the period of July 1, 2019 through June 30, 2020, and requires ITS to post on the ITS website and on the procurement portal website (via MAGIC-the state's Enterprise Resource Planning System) "the proposed action" by MCPS.

The Proposed Action: Issue a Request for Proposals for the development and operation of a Cloud-based learning management system for the Mississippi Department of Child Protection Services.

More information regarding this proposed action is available by contacting:
