

## **MS DEPARTMENT OF INFORMATION TECHNOLOGY SERVICES**

Is seeking a contract worker as a Data Services Enterprise Security Architect. The contract worker will provide configuration, support and troubleshooting issues with existing cybersecurity solutions (firewalls, Intrusion Protection Systems, authentication systems, etc.), provide recommendations and advice regarding the implementation of new cybersecurity technologies including cybersecurity architecture recommendations, and provide consulting services in areas related to cybersecurity policies, architecture, governance, risk and compliance. Qualified applicants should have experience in configuring, managing, and supporting various types of cybersecurity technologies (firewalls, virtual private network (VPN) solutions). The term of the contract shall be one (1) year with three (3) optional one-year renewals. The rate of pay shall be fifty dollars (\$50) per hour (not including travel) not to exceed \$25,000.00 per year. We fingerprint and do a background check on all new hires. Applicants must provide a cover letter, resume, and three (3) professional references to Lori Adams via electronic mail at [lori.adams@its.ms.gov](mailto:lori.adams@its.ms.gov) or by hand to 3771 Eastwood Drive, Jackson, MS 39211. ITS will accept applicants until 5:00pm, Wednesday, June 1, 2022 for the purpose of hiring a contract worker. For more information, please contact Lori Adams by email at [lori.adams@its.ms.gov](mailto:lori.adams@its.ms.gov) or phone at 601-432-8045.
