

Memorandum

To: ITS Customers Requesting the E-911 PSAP Express Products List 3748
From: David C. Johnson *DCJ*
Date: August 1, 2014 (*Updated July 9, 2021*)
Re: Instructions for Use for E-911 PSAP Express Products List 3748

1. **Introduction**

- 1.1 The E-911 Public Safety Answering Point (PSAP) Express Products List (EPL) is to be used in the acquisition of specific categories of PSAP equipment and related services.
- 1.2 The E-911 PSAP EPL is the result of a competitive procurement. It is a multi-vendor award that meets Mississippi requirements for legal purchases. IT hardware procurements made in accordance with this Instructions for Use Memorandum meet all Mississippi purchasing laws and requirements.

2. **EPL Effective Dates**

The E-911 PSAP EPL 3748 was originally valid through May 31, 2017. The expiration date of this EPL has been extended. The new expiration date is May 31, 2022.

3. **Who May Use**

- 3.1 This EPL may be used by Mississippi agencies, universities, community/junior colleges and governing authorities (cities, counties, school districts, etc.).
- 3.2 Any entity using this EPL must abide by the instructions in this memorandum even if that entity is not under ITS purview.
- 3.3 Local governmental entities are able to use the EPL in lieu of conducting their own procurements, based on MS Code 31-7-13(m)(xi) that allows 'governing authorities' to do so as an exception to the bidding requirements found in Public Purchasing Code.

4. **Dollar Limitations of Use**

The maximum dollar limitation of this EPL for all users is \$500,000 per project. Regardless of the dollar limit, the customer must solicit quotations from two or more EPL Sellers. Projects costing in excess of \$500,000 are beyond the scope of this delegated process and subject to full ITS review and authorization. This list is governed under *Procurement Instruments: Express Products Lists (EPLs)* in the *ITS Procurement Handbook*. The EPL is not to be confused with state contracts issued by Department of Finance and Administration, Office of Purchasing, Travel and Fleet Management (DFA-OPTFM).

5. Authorized Sellers, Available Products and Pricing

- 5.1 Authorized Sellers for the E-911 PSAP EPL:
 - 5.1.1 AT&T
 - 5.1.2 Emergency CallWorks, Inc.
 - 5.1.3 Frontier Communications
 - 5.1.4 Communications International, Inc.
 - 5.1.5 Integrated Communications, Inc.
 - 5.1.6 Precision Communications, Inc.
 - 5.1.7 Ryan Public Safety Solutions
 - 5.1.8 Zetron Manufacturer Sponsored Reseller Group:
 - 5.1.8.1 Central Mississippi Communication, LLC
 - 5.1.8.2 Comsouth, Inc.
 - 5.1.8.3 Precision Communications, Inc.
- 5.2 There is a separate document for each authorized vendor containing
 - 5.2.1 Approved products and pricing (Vendor Configurations and Component Pricing)
 - 5.2.2 Not-to-exceed hourly service rates
 - 5.2.3 Contact information
 - 5.2.4 Ordering information
- 5.3 Each authorized vendor's document may be found on the E-911 PSAP EPL page under the heading "Vendor Products, Contact, and Ordering Information". Here is a link to the page: <http://www.its.ms.gov/Procurement/Pages/e911.aspx>
- 5.4 Sellers may propose enhanced configurations, individual components, or both. Only the products included in the "Vendor Configurations and Component Pricing" section of each seller's published document are authorized for purchase.
- 5.5 Pricing on the E-911 PSAP Equipment EPL is not-to-exceed pricing, meaning sellers may offer lower pricing at the time of sale. Reseller Group prices are not-to-exceed manufacturer prices. It is extremely important that you contact individual resellers within the Reseller Group for discounted pricing.

6. Preparing Specifications and Evaluating Seller Offerings

- 6.1 Purchases made using the E-911 PSAP EPL 3748 must be based upon competitive and open specifications. Entities using the E-911 PSAP EPL 3748 must have well defined business objectives and technical requirements for the items being purchased. These objectives and requirements will be used to evaluate seller offerings and to determine the lowest and best solution.
- 6.2 Solicit quotations based on your specifications from two or more approved Sellers.
- 6.3 EPL customers must evaluate seller proposals and document that they are choosing the products and sellers that meet their "lowest and best" criteria and that

proposals are valid for the E-911 PSAP Equipment EPL. It is your responsibility to evaluate and choose the products and services that best meet your needs.

- 6.4 It is the customer's responsibility to alert the seller if the customer is using the EPL as the purchasing mechanism. The seller must reference the EPL on any quotation provided.
- 6.5 Prices quoted must be less than or equal to the EPL prices listed in the "Vendor Configurations and Component Pricing" section of each seller's published document.

7. How to Place Your Order

- 7.1 Place E-911 PSAP Equipment EPL orders directly with the approved Seller.
- 7.2 Issue appropriate purchase order(s).
- 7.3 Please include the following information on all purchase orders.
 - 7.3.1 E-911 PSAP Equipment EPL 3748. This will identify your purchase for audit purposes.
 - 7.3.2 Bill to Address
 - 7.3.3 Ship to Address
 - 7.3.4 Purchase Order Number
 - 7.3.5 Clear Description and Part Number
 - 7.3.6 Contact Name and Phone Number for your Agency/Institution Purchasing Agent

8. Mississippi's Accountability System for Government Information and Collaboration (MAGIC)

- 8.1 State agency customers are required to purchase through Mississippi's Accountability System for Government Information and Collaboration (MAGIC). Please contact the ITS EPL Team at EPL.Team@ITS.ms.gov for contract information once your vendor is selected.
- 8.2 State agency customers will be required to use NIGP codes when purchasing through Mississippi's Accountability System for Government Information and Collaboration (MAGIC). The following NIGP codes will be used for products purchased using the E-911 PSAP Equipment EPL:

NIGP Code:	Use For:
83845	Telecommunication Equip., Emergency Radio/Telephone Systems
83885	Telecommunication Equip., Telecom Parts and Accessories

9. EPL Audit Integrity

- 9.1 It is the responsibility of every customer using the EPL to maintain proper records to reflect that all procurements from the EPL are made in accordance with ITS policies and procedures.

9.2 What Goes in Your Purchase/Audit File

Make sure you provide adequate documentation that you followed the recommendations and directives in this Instructions for Use Memorandum. At a minimum, include:

- 9.2.1 A copy of the purchase order.
- 9.2.2 A copy of all quotes received.
- 9.2.3 A copy of this Instructions for Use Memorandum.
- 9.2.4 A copy of the awarded vendor's contact and ordering page
- 9.2.5 A copy of the awarded vendor's product page(s)
- 9.2.6 If the purchase is related to a project that is a part of the Agency's IT Plan, a copy of the related planning form from the ITS planning system.
- 9.2.7 Any additional project-related documentation or justification.

10. Contracts and Additional Considerations

- 10.1 Each participating EPL Seller has signed a Master Purchase and Maintenance Agreement with ITS. The purchase order from any individual customer will serve as a supplement to these Agreements.
- 10.2 It is not necessary that customers sign additional contracts with the Seller. However, additional terms and conditions may be negotiated between the customer and Seller at the time of sale, as needed, as a supplement to the Master Agreement.
- 10.3 Installation and training are included in the turnkey systems proposed. Should you need additional installation or training services, each seller optionally proposed hourly service rates as shown in the vendor information portion of each seller's published information. The rates for services published with this list may only be used in conjunction with equipment purchased from this list.
- 10.4 Shipping costs are included as part of the product purchase price.
- 10.5 Some of the E-911 configurations require Microsoft Server Licenses, ESRI GIS Software licenses or other possible software licenses covered by other ITS Express Products Lists. Additionally, there are some hardware components proposed as part of the E-911 systems that could be used in other settings, such as servers, desktops, printers, switches, racks, and monitors. These items are only approved on the E-911 PSAP Express Products List 3748 to be used in the PSAP environment. ITS excludes the authorization to purchase such software and hardware from the E-911 EPL 3748 vendors if said items are not intended for use as part of the PSAP system.
- 10.6 If an E-911 PSAP Equipment EPL offering is replaced through a manufacturer's technology upgrade or new release, then the Seller may substitute the latest release of the product provided the customer is formally notified in writing of all details, the product is the technical equivalent, and the purchase price of the replacement product does not exceed the published EPL price of the item being replaced.
- 10.7 Items ordered in conjunction with your EPL purchase that are not shown as line items on the EPL and are not part of a substitution within the EPL guidelines must

be purchased using alternative procurement methods. For example, if a non-EPL approved phone set is ordered with your system, or you added a rack option not offered as an EPL line item, you may not use the EPL as your authority during an audit. Your authority for purchase would need to be based on other public purchasing mechanisms, with accompanying documentation for your audit trail. We suggest non-EPL items ordered on the same purchase order as EPL items be clearly labeled as Non-EPL Items.

11. To Report Problems or Request Assistance

11.1 If you have any feedback that may help us to improve this process or if you have any problems with your EPL order, please let ITS know. We suggest you notify the seller of the problem in writing and send a copy to ITS. You may contact us in writing by one of the following ways:

11.1.1 e-mail: isshelp@its.ms.gov

11.1.2 FAX : (601) 713-6380

11.1.3 Mail: ITS, 3771 Eastwood Drive, Jackson, MS 39211

11.2 If you have questions about using the EPL, please contact the Procurement Help Desk at isshelp@its.ms.gov.

PURCHASES MADE FROM THIS LIST MAY NOT EXCEED \$500,000 PER PROJECT. Customers must solicit quotations from two or more sellers regardless of the dollar amount.

COMPANY NAME	AT&T	
Configuration # 1	911 SYSTEM - 2 POSITIONS - 2 TRUNKS - CTI	
Manufacturer and System Name:		
INTRADO	VIPER 2 POSITIONS 2 TRUNKS	
Description of Standard Features		
Positron VIPER offers outstanding benefits to our users: scalability, fault tolerance, small footprint, SIP-compliance and the ability to be deployed in a variety of local, host and remote configurations. Is scalable, supporting up to 96 9-1-1 trunks. Delivers high performance. The networking architecture relies solely on IP connectivity and operates on a high-speed, gigabit backbone, with managed Ethernet switches supporting QoS for guaranteed voice quality. It offers a full suite of computer telephony (CTI) features and supports automatic number identification/automatic location identification (ANI/ALI) capabilities; wireless phase 1 and 2 compliant; includes Agent Toolkit, Incident Manager, Integrated Call Recorder, Integrated TDD.

<p>Some of the E-911 configurations require Microsoft Server Licenses, ESRI GIS Software licenses or other possible software licenses covered by other ITS Express Products Lists. Additionally, there are some hardware components proposed as part of the E-911 systems that could be used in other settings, such as servers, desktops, printers, switches, racks, and monitors. These items are only approved on the E-911 PSAP Express Products List 3748 to be used in the PSAP environment. ITS excludes the authorization to purchase such software and hardware from the E-911 # 3748 vendors if said items are not intended for use as part of the PSAP system.</p>

COMPONENTS LIST			
<i>This section lists components that can be added to the systems proposed. All components must carry a minimum one year on-site warranty.</i>			
Provider of Service or Manufacturer of Component	Description of Component	Purchase Part Number of Component	EPL Purchase Cost
EXACOM, Inc.	Installation, training, 1st year warranty, shipping and handling for EXAHCM10-052516	EXAHCM11-052516	\$28,513.60
Note:	Software patches and minor releases are only available with a current and up-to-date support contract.		
Some of the E-911 configurations require Microsoft Server Licenses, ESRI GIS Software licenses or other possible software licenses covered by other ITS Express Products Lists. Additionally, there are some hardware components proposed as part of the E-911 systems that could be used in other settings, such as servers, desktops, printers, switches, racks, and monitors. These items are only approved on the E-911 PSAP Express Products List 3748 to be used in the PSAP environment. ITS excludes the authorization to purchase such software and hardware from the E-911 # 3748 vendors if said items are not intended for use as part of the PSAP system.			

PURCHASES MADE FROM THIS LIST MAY NOT EXCEED \$500,000 PER PROJECT. Customers must solicit quotations from two or more sellers regardless of the dollar amount.

COMPANY NAME	Emergency CallWorks, Inc.
Configuration # 1	911 System C/O: Two (2) Positions, Eight (8) Trunks, Eight (8) Admin Lines, With Mapped ALI
Manufacturer and System Name:	Emergency CallWorks, Inc. CallStation (Includes Mapping)

Description of Standard Features

CallStation[®] is an economical and proven VoIP based 9-1-1 platform with a legacy CAMA interface, Next Generation 9-1-1 compliance and a messaging platform with consolidated Emergency and Administrative call taking served by NENA compliant standard telephony. External VoIP sets from Polycom are provided along with a traditional CAD spill for integration into other 3rd party products like CAD, Long Term Recorders and Mapped ALI if desired. Full MIS and Data Mining capabilities are included. Headset and Long Term recorder interfaces are provided as needed. Browser based Mapped ALI is included at no additional charge. All hardware, Software, Services, Support and Remote Monitoring is provided along with Dual 22" LCD displays at each position. DispatchStation (CAD) can be added to those sites that need or may be considering an upgrade to CAD for a totally integrated solution. See DispatchStation in other Configurations.

<p>Some of the E-911 configurations require Microsoft Server Licenses, ESRI GIS Software licenses or other possible software licenses covered by other ITS Express Products Lists. Additionally, there are some hardware components proposed as part of the E-911 systems that could be used in other settings, such as servers, desktops, printers, switches, racks, and monitors. These items are only approved on the E-911 PSAP Express Products List 3748 to be used in the PSAP environment. ITS excludes the authorization to purchase such software and hardware from the E-911 # 3748 vendors if said items are not intended for use as part of the PSAP system.</p>

<p>Some of the E-911 configurations require Microsoft Server Licenses, ESRI GIS Software licenses or other possible software licenses covered by other ITS Express Products Lists. Additionally, there are some hardware components proposed as part of the E-911 systems that could be used in other settings, such as servers, desktops, printers, switches, racks, and monitors. These items are only approved on the E-911 PSAP Express Products List 3748 to be used in the PSAP environment. ITS excludes the authorization to purchase such software and hardware from the E-911 # 3748 vendors if said items are not intended for use as part of the PSAP system.</p>

Some of the E-911 configurations require Microsoft Server Licenses, ESRI GIS Software licenses or other possible software licenses covered by other ITS Express Products Lists. Additionally, there are some hardware components proposed as part of the E-911 systems that could be used in other settings, such as servers, desktops, printers, switches, racks, and monitors. These items are only approved on the E-911 PSAP Express Products List 3748 to be used in the PSAP environment. ITS excludes the authorization to purchase such software and hardware from the E-911 # 3748 vendors if said items are not intended for use as part of the PSAP system.

PURCHASES MADE FROM THIS LIST MAY NOT EXCEED \$500,000 PER PROJECT. Customers must solicit quotations from two or more sellers regardless of the dollar amount.

<p>Some of the E-911 configurations require Microsoft Server Licenses, ESRI GIS Software licenses or other possible software licenses covered by other ITS Express Products Lists. Additionally, there are some hardware components proposed as part of the E-911 systems that could be used in other settings, such as servers, desktops, printers, switches, racks, and monitors. These items are only approved on the E-911 PSAP Express Products List 3748 to be used in the PSAP environment. ITS excludes the authorization to purchase such software and hardware from the E-911 # 3748 vendors if said items are not intended for use as part of the PSAP system.</p>

PURCHASES MADE FROM THIS LIST MAY NOT EXCEED \$500,000 PER PROJECT. Customers must solicit quotations from two or more sellers regardless of the dollar amount.

COMPANY NAME	Zetron, Inc.	
Configuration # 3	Type and Number of Positions: 4 Position E-9-1-1 with 4 E911 Trunks and 5 Admin lines	
Manufacturer and System Name:	Zetron MAX CALL-TAKING	
Description of Standard Features		
<p>This section describes the features included when purchasing this configuration as a turnkey system. Add Additional lines as needed to describe the components of the configuration.</p>		
Manufacturer of Component	Description of Component	Purchase Part Number
Zetron, Inc.	MAX Call Taking Server Core	905-0526
Zetron, Inc.	24 Port POE 10/100/1000 Rack Mount Switch	950-1284
Zetron, Inc.	MAX Call Taking Gateway, 12 Port CAMA (Patton)	950-1162
Zetron, Inc.	MAX Call Taking Gateway, 12 port FXO (Patton)	950-1160
Zetron, Inc.	Gateway to Punch Block Y-cable (1 for every 2 Patton FXS or FXO Gateways)	709-7890
Zetron, Inc.	MAX Call Taking 2U Audible Stack Light w/ PSand Ethernet I/O	905-0525
Zetron, Inc.	MOXA IP to serial converter	802-5110
Zetron, Inc.	MAX Call Taking Work Station Bundle (With PC)	905-0422
Zetron, Inc.	23" Widescreen LCD Monitor	802-2311
Zetron, Inc.	MAX Call Taking TDD License	930-0249
Zetron, Inc.	MAX Call Taking Event Recall (IRR) License	930-0250
Zetron, Inc.	MAX Call Taking i3 Integrated Text-to-9-1-1 License	930-0342
Zetron, Inc.	MAX Call Taking RapidSOS Location License	930-0358
Zetron, Inc.	Genovation Keypad, 48 Key	950-1319
Zetron, Inc.	1425 VA Desktop UPS	802-0329
Zetron, Inc.	LaserJet B&W Network Printer	802-3005
Zetron, Inc.	Dual Prong Headset Jackbox Option; Single Volume Control	950-1082
Zetron, Inc.	10 ft Shielded Cat 5e Cable for Speakers	709-0170-10
Zetron, Inc.	Wireless Headset, 6-Wire, Noise Canceling (comes with 2 batteries)	950-0454
Zetron, Inc.	Headset Top, Noise Cancelling	802-0115
Zetron, Inc.	Connectorized Punch Down Block	950-9351
Zetron, Inc.	25-Pair Cables, RJ-21, M-F, 10ft [Baseline Product]	709-0004
Zetron, Inc.	MAX-PSP Management Information System Extended Service Plan	XMP-0343-MIS
Zetron, Inc.	MAX-PSP Base Service Plan	XMP-0343-BAS

PURCHASES MADE FROM THIS LIST MAY NOT EXCEED \$500,000 PER PROJECT. Customers must solicit quotations from two or more sellers regardless of the dollar amount.

COMPANY NAME	Zetron, Inc.	
Configuration # 3	Type and Number of Positions: 4 Position E-9-1-1 with 4 E911 Trunks and 5 Admin lines	
Manufacturer and System Name:	Zetron MAX CALL-TAKING	
Cost of System when priced as a turnkey system. Includes all engineering, cabling, installation, training and lightning protection.		\$188,967.00
Cost of System reflecting a 10% discount applied at time of order - some items may be non-discountable - refer to Zetron price sheets.		\$172,359.10
Description of Installation Services		
<i>This section describes the installation features included when purchasing this configuration as a turnkey system.</i>		
Cost for <u>Installation</u> included in the turnkey price (The cost for installation may be removed from the turnkey price if the customer does not wish to purchase installation.)		\$17,000.00
Description of Training Services		
<i>This section describes the training included when purchasing this configuration as a turnkey system. Minimum requirement is 16 hours at customer's location</i>		
Cost for training included in the turnkey price (The cost for training may be removed from the turnkey price if the customer does not wish to purchase training unless required by the Vendor)		\$7,500.00
Description of Base Warranty of Turnkey System		
<i>This section describes the warranty included when purchasing this configuration as a turnkey system. Minimum requirement is one-year onsite 24 x 7 x 365 support including parts and labor and lightning damage</i>		
1 Year Hardware & 1 Year Software (includes 1 year after hour critical call support & 1 year advance replacement); Refer to the MAX Product Service Plan		
Enhanced Warranty or Post-Warranty Maintenance Options		
<i>This section describes additional enhanced warranty options that exceed the base minimum requirements. Warranty must cover onsite 24-7 support including parts and labor and lightning damage</i>		
Provided by	Description	Cost
Zetron, Inc.	MAX-PSP Hardware Services Plan & Management Information Extended Services Plan Extension Price is for 4 workstation seats over 4 years	\$25,640.00

PURCHASES MADE FROM THIS LIST MAY NOT EXCEED \$500,000 PER PROJECT. Customers must solicit quotations from two or more sellers regardless of the dollar amount.

The Components List is limited to 500 line items			
Note: This list should also be used to propose extended warranty upgrades, out-of-warranty repairs or maintenance and training rates beyond the hourly rates proposed in the Vendor Service Fee table, Section X.			
COMPANY NAME	Zetron, Inc. - 10% Discount off of Purchase Cost Except for Non-Discountable items. See Zetron Price Book for Limited Discount / Non-Discountable Items.

Zetron	HP - 5yr Next Business Day Onsite Notebook Hardware Support only	X72-0068	\$420.00
Zetron	GIS Map Data Conversion (1 per Site)	X72-0077	\$4,400.00
Zetron	HP Care Pack 5 year, Next Business Day, ProLiant DL380	X72-0080	\$2,200.00
Zetron	CAD Data Conversion (1 per Site)	X72-0081	\$5,000.00
Zetron	MAX Call Taking Factory Technical Training, each additional person	X97-343A	\$567.00
Zetron	MAX Call Taking Factory Technical Training, first person	X97-343F	\$1,139.00
Zetron	MAX Call Taking Project Management/Project Engineering	X99-M1343	Call for Quote
Zetron	MAX-PSP After hours phone support 1 time	XMP-0343-APM	\$100.00
Zetron	MAX-PSP Management Information System Base Service Plan	XMP-0343-BAM	\$0.00
Zetron	MAX-PSP Base Service Plan	XMP-0343-BAS	\$0.00
Zetron	MAX-PSP Extended Service Plan	XMP-0343-EBS	\$1,750.00
Zetron	MAX-PSP Management Information System Extended Service Plan	XMP-0343-MIS	\$900.00
Zetron	MAX-PSP Zetron MAX Users Group	XMP-0343-MUG	\$0.00
Zetron	MAX-PSP On-Site Operator Training, Per Day	XMP-0343-OSO	\$2,500.00
Zetron	MAX-PSP On-Site Technical Support, Per Day	XMP-0343-OST	\$2,500.00
Zetron	MAX-PSP Operator Web Training extension	XMP-0343-OWE	\$1,500.00
Zetron	MAX-PSP Remote Configuration Services Features & Components	XMP-0343-RCH	\$180.00
Zetron	MAX-PSP Remote Configuration Services Systems	XMP-0343-RCS	\$4,500.00
Zetron	MAX-PSP Extended Service Plan Reinstatement Fee	XMP-0343-SSL	\$1,850.00
Zetron	MAX CAD & GIS-PSP After hours phone support 1 time	XMP-0347-APM	\$100.00
Zetron	MAX CAD & GIS-PSP Base Service Plan	XMP-0347-BAS	\$0.00
Zetron	MAX CAD Software Maintenance Agreement	XMP-0347-EBS	18% of SLP
Zetron	MAX CAD & GIS-On-Site Operator Training, Per Day	XMP-0347-OSO	\$1,450.00
Zetron	MAX CAD & GIS-On-Site Technical Support, Per Day	XMP-0347-OST	\$1,450.00
Zetron	MAX CAD & GIS-Operator Web Training Extension	XMP-0347-OWE	\$1,500.00
Zetron	MAX CAD & GIS-Remote Configuration Services Features & Components	XMP-0347-RCH	\$180.00
Zetron	MAX GIS Map Viewer-PSP After hours phone support 1 time	XMP-0348-APM	\$100.00
Zetron	MAX GIS Map Viewer-PSP Base Service Plan	XMP-0348-BAS	\$0.00
Zetron	MAX GIS Software Maintenance Agreement	XMP-0348-EBS	18% of SLP
Zetron	MAX GIS Map Viewer-On-Site Operator Training, Per Day	XMP-0348-OSO	\$1,450.00
Zetron	MAX GIS Map Viewer-On-Site Technical Support, Per Day	XMP-0348-OST	\$1,450.00
