

Stop Cyber Bullying!

You: Can you stop bullying me?

Them: You are nasty.

You: No I'm not!

The Next day...

You: Why are you being so mean?

Them: Because you are and I don't see why people are friends with you.

You: I know your dad and I'm telling him.

Them: I don't care and your a loser.

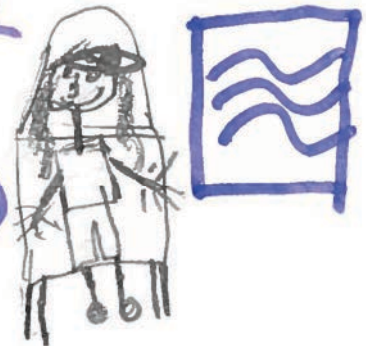

You: You all come to my Birthday Party tonight.

Comments:

Them: We don't go to loser's parties.

Before you post
think about it

Alissa Hayes

Cyber bullying stings.

A cyber bully sends inappropriate pictures and vids. If you are being cyber bullied tell a teacher.

Job well done
