

6416D

Auto-dial button program template

Employee Display Name: _____

The diagram shows the Avaya 6416D phone interface. At the top left is the AVAYA logo. To the right of the logo is the model number 6416D. Below the logo and model number is a display screen showing "DOE, JOHN". Below the display are four buttons labeled Menu, Exit, Prev, and Next. Below these buttons is a telephone keypad with buttons for Spkr, Mute, Hold, Redial, Trnsfr, Conf, and digits 1, 2, 3. Below the keypad are eight fields for Custom Entry #4 through #8. To the right of these fields are two columns of programming slots. The first column contains call-app #1, call-app #2, call-app #3, and five empty slots. The second column contains (unused), Entry #9, Entry #10, Entry #11, Entry #12, Entry #13, Entry #14, Entry #15, and Entry #16. At the bottom of the phone are three navigation buttons (left arrow, right arrow, and a central button) and a small envelope icon.

INSTRUCTIONS: Please enter your name and telephone number in the appropriate blanks. You may enter up to 13 Busy Indicator (BI) numbers.
