

6424D+

Auto-dial button program template

Employee Display Name: _____

Telephone Number: _____

The diagram shows the AVAYA 6424D+ phone interface. At the top, the AVAYA logo is displayed in red. Below it, a display screen shows the name "DOE, JOHN". Underneath the display are four buttons labeled "Menu", "Exit", "Prev", and "Next".

Below the buttons is a section for programming call applications. It starts with a "Telephone number:" label and a small circle. To the right of this is a vertical column of 24 call application slots, each with a pencil icon and a number from #1 to #24. The first three slots are pre-programmed with "call-appr #1", "call-appr #2", and "call-appr #3".

To the left of the call application slots is a standard 12-button numeric keypad. The buttons are arranged in a 4x3 grid: a small circle, "Spkr", "Mute", "Hold", "Redial", "Trnsfr", "Conf", and the digits 1-9, *, 0, #.

At the bottom of the keypad area is a "Volume" control with a downward arrow on the left and an upward arrow on the right. To the right of the keypad area is a small envelope icon with a circle next to it.

INSTRUCTIONS: Please enter your name and telephone number in the appropriate blanks. You may enter up to 21 Busy Indicator (BI) numbers.
